

Cultural Department

Report for the Academic Year: - 2013-14

Our College cultural department is very active right from beginning. Various cultural and co-curricular activities develop the student's personality. Apart from academic schedule our college students take part in each and every activities organized by our college and at University level. Every student has inner qualities. To identify and developments of such quality among students, our institution performs a very vital role. Cultural department of our college makes very active to our students by organizing following activities throughout the academic year.

Objectives:

1. To organize various cultural competitions like singing, Dance, Street plays, Elocution, Essay and fancy dress competition etc.
2. To guide and motivate the students to participate in different competition organized at college or University Level.
3. To organize annual gathering and felicitate our students participating in various activities.
