About the College:

Konkan Gyanpeeth Uran College of Commerce and Arts:Uran Raigad:

Konkan Gyanpeeth Uran College of Commerce and Arts has been functioning in the semi-urban area of Uran Dist. Raigad since 17th June, 1989. Uran is located in Konkan area of Maharashtra. Before 1989 there were no facilities for higher education in Uran Tehsil. Hon'ble Shri P.N.Dharkar, Chairman of Konkan Gyanpeeth and Ex-minister of Higher & Technical Education, Maharashtra State, established a multi faculty college at Uran to address this social deficiency.

The Konkan Gyanpeeth Sanstha and Uran College of Commerce & Arts is determined to impart higher education to students in this rural area. The beginning of such a task was fraught with problems and hurdles. Our management, teaching and non-teaching staff members were well prepared to face any problem that be fell them. Our collective efforts in changing the minds of the parents in favour of facilitating higher education for their daughters.

Thus our staff members paved the way for students to join our college. We are permanently affiliated to University of Mumbai and also are enlisted in 2(f) and 12(b) with UGC from 11/7/2007. College has 03 UG programmes (B.Com, BA, and BAF) & 01 PG Programme (M.Com with Accountancy). Presently there are 1133 students in our College.

About the Conference:

March 12, 2021 to August 15, 2023 is the most special period for India! The extraordinary reason is the 75th Year of Indian Independence Day which is also known as Azadi Ka Amrit Mahotsav. India won its hard-fought independence from over 200 years of British rule on August 15, 1947 and in the year 2023: semi sesquicentennial year or 75th year of Indian Independence celebrations are planned on massive scale. This national event also calls for thoughtful ruminations on 75 years journey of independent India, the milestone Indian achievements, the tempestuous times and the brightest moments we have experienced.

It also demands profound thinking over as Indian Prime Minister calls it: reviving India's identity and inspirations, and built realistic and achievable dream of India as global power. Indian academia also needs to respond in this national event and bring forth the valuable contemplations highlighting the India's role in shaping the global future. In light of the above, Konkan Gyanpeeth Uran College of Commerce & Arts Uran resolves to participate pro-actively in Mahotsav by conducting International Interdisciplinary E Conference on India as an Emerging Global Power: Past Present and Future.

The conference aims to encompass the wide range of topics from the freedom struggle, achievements, education, finance, technology, and Indian global leadership and future of India. Contemplations over Indian advancement socially, politically and economically over the decades and celebrate the diversity that it holds is also the focus of this conference. The objective is to increase awareness and interest in the nation's journey and prospective growth.
